The Valley High School Orchestra Department is comprised of 148 talented students participating in a Symphony Orchestras, Chamber orchestras and Quartets. This is the third year the Valley Orchestra Guild will help sponsor a Moonlight Dance for students and the local community. Guests enjoy listening to fabulous music, learn Ballroom dance moves from certified local instructors, and are provided dessert and beverages. The Valley Orchestra Guild program relies on fundraising efforts such as this to help promote and expand the art of music to all of our students. Proceeds go toward scholarships and enrichment programs for our talented students.

Our students are so excited to participate, but they are asking for your help in the form of a donation for raffle prizes. Your donation would be greatly appreciated and would help benefit all our orchestra students. In recognition of your donation, your business or family will have a “Courtesy of...” table tent listing your business or family, which will be placed next to the item you donate.

We are asking for a donation of: Theme baskets (eg. Movie, Game or Food) or certificates (eg. Eateries, Spas, anything)
